# graduate nurse

## personal statement

An experienced and fully qualified graduate nurse who is efficient, thorough and passionate about delivering the best levels of care to patients. Atege possesses extensive healthcare experience in a wide range of key nursing fields and has the required physical, mental and emotional strength to stand up to the rigours of this demanding profession. She is able to work autonomously and has vast knowledge of using the latest state of the art medical equipment to treat, observe and record the condition of patients. As a driven individual who wants to progress she is now looking for a suitable nursing position with a reputable, exciting and modern healthcare provider.
